You are cordially invited to join us as we Step Up for Down Syndrome in an effort to enhance the quality of life for all people whose lives are touched by Down syndrome. This short, one mile walk is the largest Down syndrome awareness event in the Central Valley, and serves as the primary source of funding for our important programs. Down Syndrome Association of Central California, a 501©3 nonprofit organization, provides resources for people whose lives are touched by Down syndrome; families, healthcare professionals, educators, people with Down syndrome, and now - YOU! Our service area encompasses Fresno, Kings, Tulare, Madera, Mariposa and Merced counties and there are over 1,200 people with Down syndrome living in those communities.

Last year this event drew close to 1,500 people and we hope to reach many more. We thank you in advance for your sponsorship and most of all, thank you for joining the community as we...
